EDUCATION

High School

Victoria Park CI, Toronto, Ontario

2014 - Present

Grade 9-10

Pre-IB programme

Grade 11

95.0% average

Grade 12

96.8% average

WORK EXPERIENCE

Lending Loop, React-Native Developer

Jun 2018 - Aug 2018

Summer Internship. Development of features on Lending Loop mobile platform. lendingloop.ca/

Money Smarts, Web Developer

Oct 2017 - Present

Worked on front-end articles and lessons sections. Optimized page-loading speeds and wrote a script that made uploading articles to the site much more easy and efficient. <http://moneysmarts.tech/>

Lingado, Mobile Application Developer

Nov 2016 - Jan 2018

Developed an entire mobile application (database, server, front-end, and design) for Lingado, an app that improves the tedious task of exchanging information. <https://github.com/Maaslalaniiii/Lingado>

Teresa Dental, Web Developer

Aug 2016 - Sep 2016

Created website for booking appointments, information on business and services offered. <https://maaslalaniiii.github.io/Dental/>

Hexanote, User Interface Designer

Apr 2016 - Aug 2016

Designed and coded the front-end of a website of a note-sharing service especially for students in the IB diploma programme. The code was then transferred to the back-end team for development.
